# Ready, Gorgeous?

How do I secure my date?

Once we receive your bridal contract, we will send over your bridal deposit invoice. Once that is paid, your date is secured!

What's next?

Once you're officially a Southern Tease Bride, you will receive a customized schedule within 2 weeks of booking. We create this based upon your contract to help keep your planning process organized.

Southern Tease did the hair and makeup for our wedding and from start to finish, the company and the ladies were PERFECT! I felt glam and like myself all at the same time. The girls in my bridal party looked stunning! I cannot thank the hair and makeup artists enough for bringing our ideas for styling to life. I felt the most beautiful I have ever felt that day and I will admit I'm picky. I had several wedding guests ask who did our hair and makeup so they could book them next! Megan and her team are wonderful and so kind! P.S. While walking toward the arbor to my now husband, he mouthed "YOU LOOK HOT", so I would say they did a great job!!
